ZEKARIAS KOBOTA KOYRA

SOFTWARE ENGINEER

I am a motivated and detail-oriented MERN Stack, Flutter, and Python programmer with 2 years of experience developing and supporting web and mobile applications at Amhara Bank S.C. I excel in designing responsive user interfaces, building efficient APIs, and integrating data-driven solutions to support business objectives. I am reliable, adaptable, and work effectively both independently and within collaborative development teams.

EDUCATION

Arba Minch University(2019-2023)
Bachelor's of Degree in Software Engineering
CGPA : 3.88

EXPERIENCE

Internship
July 2022-oct 2022

I completed an internship at Arba Minch University ICTC from July 2022 to October 2022, where I collaborated with the team to develop a web-based system. I actively participated in all stages of the development lifecycle, including requirements analysis, design, development, and testing.

Junior Application developer   Nov 2023-Present

I currently work at Amhara Bank S.C. as a Junior Application Developer, where I focus on designing, developing, and maintaining applications that support the bank's operations and digital services. I contribute to building efficient, user-friendly solutions that enhance system performance and functionality.

SKILLS

- MERN Stack
- Python programming
- SQL Programming
- Flutter
- Django
- Team working and collaboration
- REST API
